

MARSHALL COMMUNITY FOUNDATION

FISCAL YEAR 2017-2018

IMPACT REPORT

An annual review of the local impact made through the Marshall Community Foundation.

Generosity is simple. It begins with a desire... TO LAUNCH, CHANGE, IMPROVE OR INSPIRE.

It begins when you say YES to leaving a forever mark on those areas of your life that give you purpose and get you jazzed.

The Marshall Community Foundation views itself as a facilitator of your generosity. Without you, nothing in this report is possible.

This is what **YOU** are creating.
This is who **YOU** are impacting.
This is how **YOU** are making a difference.

For all you do to help make Marshall the great place it is to live, learn and raise a family.

THANK YOU!

You are creating a community wide impact.
