

EDUCATION ENRICHMENT SCHOLARSHIPS For Students

Application quarterly deadline: October 1st, January 1st, April 1st, July 1st

After completing the scholarship profile, applicants will complete one online application for all enrichment scholarships instead of a separate application for each scholarship. ***Please provide a recommendation letter from a teacher/educator in the field related to your request.*** For example, a recommendation letter from a music teacher would be appropriate for a music camp scholarship application. Recipients may still be awarded from more than one scholarship fund, should the committee choose to do so, based upon criteria and available funds. Awards will not typically exceed \$500.
