IN TOTAL GIVING SINCE 1968

For every person impacted, non-profit agency empowered and program launched, there is an individual like you who has made the decision to be generous. Since the first \$50 in the middle of the table more than 50 years ago, the Marshall Community Foundation has made a more than \$13 million local impact. None of this is possible without the generosity of people like you, who give of your time, talent and treasure to ensure Marshall remains a vibrant and prosperous community.

Every project funded, scholarship awarded and donation invested is possible through the intentional efforts of the Foundation's volunteers who are vested in the success of the Marshall Community Foundation and aim to ensure our community continues to thrive.

The Marshall Community Foundation's mission is to ensure our area remains a wonderful place to live, work and raise a family. We do this by:

- › Attracting permanently endowed funds from a wide range of donors.
- › Serving as a conduit or convener for special projects.
- › Distributing grants in support of innovative programs and projects.
- › And always being mindful to carry out our donors intentions.
