Hard work • Determination • Tenacity • Focus

No one word can describe the vast and varied pool of 2021-2022 Marshall Community Foundation Scholarship recipients. Each is as diverse as the scholarships they received and programs for which they applied.

This year, I am particularly grateful for our graduating seniors. To say you have faced difficulties is an understatement. But yet... you persevere, carry on and move forward. You truly are an amazing representation of our Community.

The Marshall Community Foundation is proud to recognize your achievements.

As you make your final plans to begin the next season of your life, we wish you all the very best on your journeys! Never forget where you came from - this beautiful Community where you began to learn the characteristics needed to succeed in life.

On behalf of the Marshall Community Foundation Board of Trustees and our more than 300 volunteers... it is our hope that success will follow wherever life may lead you.

Congratulations - Wendee Woods, *Chair*
